

Clinton Parks & Recreation 2017 Mini-Youth Volleyball League

Our Mini-Youth Volleyball League will begin in January and run for 5 weeks. The mini-youth volleyball league will be played with beach balls instead of volleyballs to teach children the very basics of the sport and encourage the children to enjoy a sport and allow players to become more acquainted with the fundamentals of using a beach ball. The league will be for **1st & 2nd Graders**. A more advanced league will be available to older children (3rd through 6th graders) to become more acquainted with the fundamentals of using a real volleyball. We will need parents to help coach the teams but will be providing a clinic night each week for all of the teams to attend instead of or in addition to regular practice.
